our mission

YWCA Central Alabama is dedicated to eliminating racism, empowering women and promoting peace, justice, freedom and dignity for all.

our vision

The YWCA Central Alabama's vision is to create a more caring community. The YW plays a leadership and collaborative role as it works to achieve positive change in the lives of individuals and in the community.

In This Economy!

Thanks to all the many supporters, donors and volunteers for a very busy, productive year for our YWCA. You all stepped forward to help us open two desperately needed new shelters. One was a replacement shelter for an aging facility in the Woodlawn neighborhood of Birmingham. The other was a new satellite shelter for rural victims of domestic violence that is located in St. Clair County. Two new shelters opened – in this economy.

But the YW didn't stop there. We also refurbished a 24 apartment complex right behind our new shelter in Woodlawn, thanks to the City of Birmingham. The City also extended additional resources to us for a public/private partnership that has allowed us to purchase 3 more apartment complexes – in this economy. Our additional apartments are scheduled to begin occupancy late 2010 and we have built a new playground thanks to KaBOOM! and Home Depot Foundation.

We are so grateful to all our board members for their vision and commitment. They could have easily – in this economy – said “no, we were just going to build a small shelter, let's let someone else do the additional housing development.” Our board members are courageous, determined and fearless fundraisers.

Listed in our annual program report are our wonderful supporters. Also listed are our annual program statistics. In addition to two new shelters, the services we deliver each and every day are also highlighted. We did all of this with a smaller staff than in 2008. So, a very deep debt of gratitude goes to this dedicated, compassionate, hard working YW staff. They deliver our mission every day and go above and beyond to pitch in wherever needed.

A big note of thanks to all who worked tirelessly on our special events to raise funds needed for our operations. Our operational budget, just like most non-profits, has decreased, even though demand for our services has gone up. This economy and the ever increasing demand for our services presents us with real challenges.

On behalf of the lives you have helped us touch, thank you for your support. We need you to continue that support more than ever – in this economy.

Sincerely,
