our mission

YWCA Central Alabama is dedicated to eliminating racism, empowering women and promoting peace, justice, freedom and dignity for all.

our vision

The YWCA Central Alabama's vision is to create a more caring community. The YW plays a leadership and collaborative role as it works to achieve positive change in the lives of individuals and in the community.

There is an old song that tells the story of a "little ole ant" trying to move a rubber tree plant. The lyrics continue with "Anyone knows an ant, can't, move a rubber tree plant – but, he's got high hopes..."

During this past year, the YWCA has faced it own versions of that rubber tree plant, the most serious being the loss of \$500,000 in funding for several of our programs. But, we had high hopes that we would find a way to continue to deliver our services to those who turn to us in need, and thanks to some incredible community supporters and volunteers, we were able to continue to operate most of our programs, and even begin a couple of new initiatives.

YWoodlawn continues to thrive, with our apartments at maximum occupancy and Interfaith Hospitality House serving more families than ever before. The opening of our new Family Resource Center in Woodlawn has enabled us to partner with several other organizations to find new ways to reach out to the surrounding community, such as art programs for the residents and cooking and nutrition classes for the families. High hopes... coming to fruition.

We exceeded our goals at the KIDS Korner Luncheon, the Art of Passion, the Mother's Day Flower Sale, and our Purse & Passion Luncheons in Birmingham and St. Clair County. At the same time we were able to sustain our programs in child care, housing and most of the domestic violence programs and services. Our AmeriCorps members conducted a very successful Anytown Alabama camp which was attended by 60 teen aged delegates from throughout the state. We are particularly proud of our Child Development Center which earned its second accreditation from the National Association for the Education of Young Children (NAEYC). High hopes... realizing dreams.

We say thank you, Board and Jr. Board members, for your vision, your energy and especially for your commitment. Thank you, corporate supporters, United Way, and our many other public and private funding sources, for keeping our programs alive. Thank you, volunteers (individuals, service groups, church groups, professional organizations and corporate employees), for the thousands of hours you have donated to those whom we serve and to our events. And thank you, dedicated YW staff, for doing 'whatever it takes' to deliver our mission every day.

Finally, this message would not be complete without each of us acknowledging the special privilege it has been to work with each other. In some organizations, a first year board president and a CEO completing more than 30 years of service might have difficulties finding common ground. Not so at our YWCA. The two of us have already worked together for many years to further the mission of our YW and have great mutual respect and admiration for each other's passion, dedication and energy on behalf of those whom we serve.

Listed in our annual program are our wonderful supporters. Also listed are our program statistics. Our operational budget, like most nonprofits, has decreased, even though the demand for our services presents us with real challenges in the coming year.

What about that "little ole ant"? The song ends with "Oops, there goes another rubber tree plant!" The ant accomplished his goal and his "high hopes" came true. Our greatest joy at the YWCA comes when we see our families accomplish their goals and have their "high hopes" come true. On behalf of the lives you have helped us touch, thank you for your support. Please know that we need your continued support and commitment as we face new challenges in the coming year. With your help, all of us can continue to have "high hopes."

Sincerely,

Kathryn Harbert
