

2013 ywca central alabama annual report

At the YWCA we embrace transformation. We work tirelessly to ensure that we are transforming our community by eliminating racism, empowering women and promoting peace, justice, freedom and dignity for all. This is our mission – to transform lives!

Transformations happen every day at the YW. Women living in domestic violence situations find safety, families living in homeless shelters find permanent housing, children living in crisis find the love and stability they need in our child care and high school students develop leadership skills to make their school environments more inclusive. Our staff, volunteers and community at large all come together to make this happen.

In 2013, our beloved CEO of 34 years, Suzanne Durham, retired. She, like so many of our clients, entered a new, well-deserved phase of her life: retirement. As she has done for countless individuals, Suzanne ensured that her transition was positive. Our staff fearlessly supported this transition as they do with our clients during their period of crisis and worked to ensure that the standard of excellence that has been established over the past 34 years would be maintained. Our donors have continued to support the work of the YW through their financial gifts and donations of clothes, toys and books. Our wonderful volunteers, Board of Directors and Junior Board have continued to provide leadership and service as ambassadors of this great organization. From this fabulous pool of volunteers one stepped forward, and on January 1, 2014, Yolanda Sullivan became the Chief Executive Officer of the YWCA Central Alabama. At its September meeting, the Board of Directors unanimously approved a motion to appoint Sullivan, a former Board President, supporter and volunteer, as CEO.

Yolanda's passion and commitment make her the perfect person to lead our organization into the next phase. Her 20 years of volunteer leadership have well prepared her to embrace us with open arms and an open heart.

Yolanda is only the eighth Executive Director or CEO in the YWCA's 110 year history. She inherits a healthy organization with a \$6.2 million budget, more than 125 employees and a reputation as a leading nonprofit in the community. As the Board President, I want to take this opportunity to thank Suzanne, Yolanda, the YWCA staff and all the supporters and volunteers listed in this Annual Report for helping us do what we do best—transform lives.

Sincerely,

Kathryn D. Herbert
YWCA Board President
